

What is Clean Water Worth for Northern Minnesota Communities?

Are you interested in learning more about the status and threats for our northern waters? Do you want to learn more about how we value clean water? Do you want to protect the health of northern Minnesota lakes, rivers, streams, and wetlands?

Please join us for a forum on the **value of clean water** to learn more.

March 23, 2017

7:00 – 9:00 PM

Central Lakes College, Chalberg Theater
501 West College Drive, Brainerd, MN 56401

Presentations
